

Policy Proposals For India

Pro-Establishment But Anti-Status Quo

A Treasure Trove of Informative Perspectives on Indian Polity, Economy and Social Development.

Policy Proposals For India is a continuously evolving research publication that renders professional advice and recommendations in the sphere of public policy and governance. The consultative journal is focused on promoting courses and principles of action that can be adopted by the leading political and administrative offices of the country for achieving positive and rational outcomes in their endeavours. Its contributors include top-notch public policy practitioners and experts who ideate on the subject at hand in the light of their institutional memory and experience.

The journal has captivated the imagination of a wide spectrum of intelligentsia comprising leaders in the government, ministers, parliamentarians, bureaucrats, academics, scholars, researchers, business magnates, editors, think-tanks, civil society groups, public-policy enthusiasts and civil service aspirants. It has been quoted in numerous scholarly works of eminent institutions and publications, in India and abroad.
